

# THE FULL MOON ALLSTAR BAND

Everyone knows a full moon appears only a dozen or so times a year. It's a special, highly anticipated event that creates excitement and more than a little craziness. An appearance by The Full Moon Allstar Band is just that kind of event - and even rarer! So, when the planets line up just right and the night sky is clear, it's a good bet the Full Moon Allstars are on the horizon.....

Anyone familiar with Rock & Roll from the country's North Coast (and beyond) knows the legacy of the Full Moon Allstar Band. Its members were the mainstays of such popular bands as Mom's Apple Pie, The Holes In The Road, The Shaddows, MF Rattlesnake, I Don't Care, Sideshow, The Mainstreet Lions and more. These influential groups filled night clubs, sold records, toured extensively and shared stages with many of the biggest acts in the history of rock & roll including Ted Nugent, The Rascals, The Kinks, The Lovin' Spoonful, The Buckingham's, The Turtles, The Family Stone, Levon Helm, Southside Johnny, Paul Revere & The Raiders, Orleans, The Raspberries, ZZ Top, King Crimson Exile, Styx, Peter Dinklage and many more. What other area band members can boast appearances at Madison Square Garden, Whiskey A Go Go, Folk City, The Agora Ballrooms, River Rock at The Amp, Stambaugh Auditorium, and Packard Music Hall?

The Allstars are the cream of the crop, the real deal, carefully selected and blended into one delicious brew that will satisfy any musical taste. Each Allstar brings a unique ingredient to the mix, dishing up outstanding vocal arrangements, killer guitar stylings, punctuated by a pulsating dynamic rhythm section. The menu features plenty of Rock and Soul classics for dancing, as well as an impressive repertoire of concert-style material and original songs that feature each Allstar's talents.

Fronted by lead singers Bob Fiorino and Doug Thomas, the driving force behind such influential area bands as Mom's Apple Pie, MF Rattlesnake, The Holes In The Road, The Shaddows, I Don't Care, The Mainstreet Lions, the line-up includes Mom's Apple Pie/Sideshow guitarist extraordinaire Bob "Rollo" Miller and incomparable Keyboards of Mom's Apple Pie/Shadow's Dave Mazzochi. Adding lead vocals, guitar, and her fabulous flute is area rock favorite from Sideshow/Mainstreet Lions, Liz Lewis; also featuring longtime Rattlesnake, Holes and Mainstreet Lions percussion explosion Gary Sloas on drums. Rounding out the show is Rattlesnake/Mainstreet Lions' alumnus, Dennis Csiszer, who lays down awesome bass lines and completes the group's formidable stable of lead vocalists.
